## About us

### About LiveNation

LiveNation connects music to the listener and delivers an audience to the artist. Built on over 15 years of tenacity and neo-grassroots marketing, our unique company offers its clients almost every conceivable service available in the business of music.

We are a worldwide organization, designed to provide on-the-ground support in countries far and wide. With a history of being at the forefront of independent thinking, our company is leading the charge of a new music model, one that places the artist at both the creative and financial center. Our team knows the value of long-term strategic planning, and puts the artist in the creative drivers seat.

Founded in March 2020 by Spencer Russell as DCT Agency and later morphing in September 2020 into LiveNation, it is the umbrella company for many of our services.

The company is based on a team effort ideology and keeping the artist and it's counterpart a close knit family with an evergrowing open discussion as to what is best for the artists long term career.
